Information:

Special diets and medication are given at no extra charge, excluding insulin shots. Insulin shots are \$3.00 per shot.

Our facility has everything your pet(s) needs for their stay here with us. That includes Blankets, Beds, Dishes, Treats and Food. We do encourage that you bring their own food only because a change in diet can cause an upset stomach. We do feed Pedigree adult food. PLEASE DO NOT PUT MEDICATIONS IN FOOD BAGS. SEE MORE INFORMATION ON OTHER SIDE.

You are more than welcome to bring your own things for them but we do ask you to please leave their food and water dishes at home unless they require a slow feeder bowl, that we do ask that you bring with you. Otherwise we will supply the necessary bowls for them.

Our kennels have private and spacious indoor and outdoors run areas.
A big play area outside for your dog(s) to run 3-4 times a day at no extra charge.
We have fresh air exchange throughout the building. This changes the air hourly.
We have music playing at all times for the comfort of your pet.

We also offer Basic Grooming before you pick your pet up from boarding.

Our basic grooming includes: Bath, Blow out, Brush out, Ear Cleaning, Nails and Glands.

For pricing Please call our office at (847) 336-3343

Daycare:

This is a completely separate program from boarding. They must attend a minimum of two days every week to be in our long term program. If you are interested in joining our Daycare program please ask for more information.

Most common asked Questions:

Charges explanation:

Here at Tracy's we would like to explain how we charge for our boarding. We charge like a hotel, you are charged the day you come in no matter what. On the day of pick up, if you pick up in the Am (8-10) you will not be charged for that day, If you pick up in the PM (3-5) you are charged for the day. Sunday while most kennels are closed, we do have PM hours from (5-7) **only** so you are charged for the day.

Business hours:

Monday thru Saturday 8-10 AM 3-5 PM
Sunday 5-7 PM only

We ask that you please respect our hours of business. At the times that we are closed we are taking care of your beloved pets, making sure everyone is comfortable.

There will be a charge of \$40 for coming out of these hours, If we are available.

Also, please remember to bring in an updated vaccine record at the time of boarding or you can have your vet fax it to us at 847-249-8363. you can also email your records to tracyndogs@gmail.com. This is up to the pet owner to remember to make sure this is done.

Vaccinations that are required : Bordetella, Rabies, DHLPP and we are highly recommending the K9 Influenza Vaccine.

Our Daycare program is completely separate from our boarding! Daycare is a program that your dog comes a minimum of two days a week over a long period. We do offer Extra playtime while your dog is boarding with us. Extra playtime consist of a walk for about 20-25 mins or playing out in the fenced in yard with one of or employees.

Playtime:

\$6.00 per playtime.

For 2 or more dogs - \$5.00 Per dog/per playtime.

Additional Information:

When bringing your own things we do ask that you do not bring anything valuable from home. Meaning really nice beds or blankets. As much as we try to make it as comfortable as home some dogs do chew their beds and blankets. So if you have an OLD bed or blanket that is also WASHABLE and that you don't mind if something happens to it you are more then welcome to bring that. We also supply beds and blankets here if you do not provide one.

We do ask that you please leave food and water dishes at home unless they are using a special bowl like a slow feeder, that we do ask for you to bring. Otherwise we will supply the necessary food and water dishes here.

Brining food: You can pre package food in individual/ daily bags, in the original food bag that you bought, in a sealed container, gallon ziploc bags or even tupperware containers. However is convenient for you we can definitely work with. **PLEASE DO NOT PUT ANY MEDICATION IN FOOD BAGS.** We want to make sure your pet gets the medications it needs when they need them. We ask that you please leave them in their proper medical containers or in a weekly/monthly organizer and bring them that way. Some medications can actually lose their potency/strength when left outside of its container, meaning your pet might not be getting the medications full strength that they need.
